### Home

Welcome to the Ohio Child Care Time, Attendance and Payment (TAP) information site!

The new Time, Attendance and Payment (TAP) system will soon be in place to record attendance for children receiving publicly funded child care (PFCC). Training documents and videos are now available on this site by clicking on "Programs" above.

This site will frequently be updated. Please continue to check back for additional information.

**B** Haga clic en **Programs**. Haga clic en el enlace correspondiente al material de Formación o de Entrenamiento que le gustaría revisar. Note que la lista a continuación es tan solo un ejemplo. La página web se actualizará regularmente para agregar más comunicaciones y material de entrenamiento.

## Programs

This page will contain all TAP communication and training material for programs. Please continue to check back as this page will frequently be updated with additional information.

Please use the Phone Number Collection Sheet to record all sponsor's names and phone numbers. Sponsor phone numbers will be needed to check in and check out using the provided tablet.
