

KinderConnect – Overlapping Care

Programs will not be paid for care if any time overlaps for a child attending at a different program at the same time. To correct overlapping care, programs should **Recall** attendance and remove the overlapping time. Once all overlapping time has been removed, resubmit the **Attendance**.

A Click on **Reports** under Reports.

B Press the drop-down arrow and click to select the **Overlapping Utilization Report**.

C Enter the desired search criteria.

Reports

Report: ▼

★ denotes a required report parameter

Description Children for whom care has been reported for two or more overlapping times.
